Product information

PROSTEP PLATFORM STEP DEPTH 120 MM (5”)

L’ECHELLE EUROPEENNE

EXCLUSIVITY **L’ECHELLE EUROPEENNE** | COMPLY WITH THE STANDARD **EN 131-7**

DESCRIPTION

Safe working platform designed for picking and access to storage and shelving areas. Available from 5 to 12 steps for all types of shelving from 3.10 to 4.45 m working height.
Available from October 2024.
2 years warranty

TECHNICAL PART

- Easy to move thanks to its 2 handles and its base with 2 360° swivel wheels
- Great stability thanks to its folding stabilisers
- Robust construction with 120mm deep steps
- Large platform 455 x 600 mm, to improve comfort
- Tool holders and safety ramps
- Easy assembly and transport
- Ideal for use in warehouses
- Vertical mast allowing access as close as possible to the work area

ADVANTAGES

Rolling base with lever arm and safety bar as standard.
